

KEEP YOUR WATER METER ACCESSIBLE

Utility Easements allow the City to provide essential services like, water and sanitary sewer. The land belongs to the homeowner *BUT* should remain clear of obstructions to allow infrastructure maintenance, improvements, and emergency repairs.

KEEP YOUR METER ACCESSIBLE

- Avoid planting in the area surrounding your meter.
- Trim bushes, trees, and grass that block the way or cover the meter.
- No objects should cover or block access to the meter box. Items commonly found blocking water meters include cars, trailers, garbage cans and recycling bins, construction equipment or supplies, landscape bark or gravel.
