

Fence

Plans:

- Showing location of fence, height, length, and materials used.
- Electrical plans if applicable.
- If the fence is to be used as a safety barrier for a swimming pool it must meet the requirements of Section 4501.17 of the Florida Building Code – Residential.
- A Building Permit will be required for a fence used a pool barrier.
- If the fence is not for a pool barrier, only a Permit for Zoning approval will be required.

A Notice of Commencement is required for any fence with a valuation over \$5,000 and must be submitted prior to the issuance of the permit.

Please note: other plans may be required to complete the review process based on individual permitting needs.
