

Slab Foundation

Administrative:

- Owner/Builder Disclosure form Signed and Notarized in office if applicable.
- Updated Worker's Compensation exemption or certified to the City of DeLand uploaded into the attachments of the application.
- A recorded [Notice of Commencement](#) for any improvement in which the contract price is greater than \$5,000. This must be submitted prior to scheduling the first inspection.

Plans:

- Residential slabs on ground will be required to meet Section R506.1 of the FBC-Residential Code.
- Commercial slabs will be required to meet Section 1907 of the FBC-Building Code.
- For slab only- a description of the slab is required on the permit application.
- For a thickened edge structural slab, signed sealed plans will be required.
- Dimensioned site plans showing setback requirements.
- Any slab that requires the disturbance of soil within a foot of the existing slab will be required to have verification of termite treatment.

Please note: other plans may be required to complete the review process based on individual permitting needs.
